CHULA VISTA, CA, 91913

By obtaining a U.S. Environmental Protection Agency federal Identification (ID) Number, you have notified the Department of Toxic Substances Control (DTSC) of your planned hazardous waste activities that are regulated under the Resource Conservation and Recovery Act (RCRA) Subtitle C Regulations. The assigned federal ID Number was based on the information that was provided on the EPA Form 8700-12, Notification of RCRA Subtitle C Activity, which was received on **AUGUST 08, 2016**. Your federal ID number (also referred to as RCRA ID Number) below is specific to the location indicated on the RCRA Site Location, and cannot be used at or transferred to another location.

EPA (RCRA) ID Number: CAR000266833
RCRA Site Name: SAMEX ENVIRONMENTAL SERVICES, INC
RCRA Site Location: 819 ANCHORAGE PL
CHULA VISTA, CA, 91914

The EPA ID Number is to be used on transport manifests and any other hazardous waste management documentation required under the RCRA Subtitle C Regulations.

DTSC has listed your hazardous waste activities status as:

LQG

Your federal ID Number does not expire. However, if any of the information required in the form changes (e.g., RCRA Site Name, hazardous waste activity status, contact information, etc.) you may be required to notify DTSC by resubmitting a Form 8700-12 (see the instructions accompanying Form 8700-12 at <http://epa.gov/osw/inforesources/data/form8700/8700-12.pdf>). If you plan to cease or have ceased operation at the RCRA Site Location, you must notify DTSC via a letter requesting to inactivate the federal ID Number.

Please keep in mind that if you have the hazardous waste activity status of a "Large Quantity Generator" there is a required Biennial Reporting that must be filed with your appropriate state or region. For more information, please visit <http://www.epa.gov/epawaste/inforesources/data/form8700/contact.pdf> to find the contacts for states and EPA Regions. If you have any RCRA Notification (EPA ID Number) questions, please call DTSC's Telephone Information Center at (800) 618-6942.
